Quirky experimental country - the sounds of a truck driver lost in space. 4 MP3 Songs COUNTRY: Cowboy, COUNTRY: Alt-Country Details: Gumeracha Frog tells the story of a young frog, sitting in the creek in Gumeracha (a small town in South Australia that boasts the worlds largest rocking horse). We hear of his search for love and of his confidence that he will succeed in winning a young girls heart. Farmer Zombie is a testament to the character of the Australian working farmer even in death he works the land and provides for the community. Day by day has nothing to do with frogs or zombies. Willie calls his music 'Experimental Battle Country' and his sound is perhaps best described by mentioning a few of his strongest influences - Frankie Laine, Dave Dudley, Johnny Cash, ZZ Top, Frank Zappa, Billy Bragg and Tom Waits. His own style of storytelling is firmly stamped on this musical smorgasboard, with results that will intrigue and delight. Gumeracha Frog is his first release as a solo artist.
