If youve always thought that running a profitable internet business was difficult, youll be shocked and delighted when you see how easy it is, once you try my methods for yourself. Heres just a few of the benefits of running your own eBook business: Low overhead and high profit margins: theres no other business that takes this little to start up, and where the return in profits is this high. Low risk: if you follow the steps that I share with you, I can almost guarantee you that youll be earning hundreds (or even thousands) within a few months. A global market: all you need is a computer, a phone line, and Internet access to reach millions world-wide, eager to pay for information you provide. Automated system: once your business is set up and running, it can go on autopilot, earning you income while you do other things. The greatest advantage of all: selling eBooks will help drive traffic to your web site and generate new customers and leads. How To Write, Publish and Promote Your Own Profitable eBook will give you complete instructions on how to create your own online business, and will teach you successful techniques for promoting it. Think of it as a complete online course for entrepreneurs interested in earning more income. Learn insider tips on how to create your own eBook with advice such as: How to research your eBook, with advice on methods that work, and those that dont How to find killer topics for your eBooks that people will be eager to buy The most popular eBook format-and how to follow it to maximize sales How to find outstanding professional help with writing your eBook, for those who hate to write, are too busy, or just plain cant Getting the right start: how the pros outline their eBook before they write the first word! Tips on choosing the best title for maximum appeal Why the cover can be the most important part of your eBook-and how to make sure its really, really good! This is just the beginning of what youll learn in this easy-to-follow course. Ive covered every aspect of creating and writing your own eBook from start to finish, and have laid out these steps in an easy-to-follow manner. Just follow them, and youll see your own eBook start taking shape-and your income taking off once you offer it for sale from your site. Important: this eBook is NOT a lot of things. It is NOT a method of slapping together a

poor-quality product in a day or two (this method is NOT recommended if you want to maintain credibility online). It is NOT for those who aren't willing to put some work, effort and time into creating their eBook (although I will teach you shortcuts and easier methods of putting it together and marketing it). Contrary to much of the hype out there, creating a great eBook that offers solid information and advice does take time and research. But the results are more than worth it. By investing some effort into writing your eBook, you will see a return on your investment over and over and over again. Best of all, you'll avoid the mistake that most people writing eBooks make: they don't research what will sell. It is NOT just another hasty compilation of recycled articles disguised as information with a bunch of affiliate links. I don't work that way. Instead, it's a real educational course (180 pages of amazing secrets, and time saving shortcuts), packed with real, usable, practical advice that you can start using right away. You'll be mentored through each step as I show you exactly how it's done, from finding my initial topic, to outlining the chapters, to researching the book. I didn't leave any part of the process out, and cover each part in detail. What About Marketing? You'll also learn the top-notch marketing techniques that I personally use to promote my eBooks. These are methods that have earned me a ton of money each and every year. If you follow the advice in eBook marketing revealed, there's no reason you shouldn't be able to do the same. Here's just some of the marketing tips, tricks & tactics you'll discover: What makes self-publishing and marketing your own eBook the fastest, easiest, and most cost-effective method of increasing your income available today. Why people buy eBooks-and the topics they want to learn about. How to create a best seller, even if you can't write worth a squat! The best methods for promoting your eBook-and where to promote it. The secret of getting others to promote your book (get them to sell for you, while you sit back and earn). How to generate passive income from your eBook-and why it's important. How to automate ordering, payment, and downloading your eBook. You won't have to do any of the work with this innovative system. You can be earning income like this, within just a few weeks, if you follow the steps that I carefully outline for you. I haven't left anything to chance, because I want you to succeed. I'm sharing with you methods and skills that have taken me years to learn, and that I wish others had taught me when I was starting out. Tips that I learned through hard research, as well as trial and error, finding out what really works, and what doesn't. I'll teach you methods that will have you writing and publishing your eBook within just a month, if you put the time and effort into it.
