a high dreamscape of excited honey unruffled poetry. 9 MP3 Songs POP: with Live-band Production, Shake Acoustic Mint Stipulate Songs Details: "Alan's honey unruffled melodies and incessant, dynamic grooves embody a familiar charm. Behold his first solo effort with an original blend of songwriting, production technology, Alan escapes his years in previous endeavors into a self-reliant creative possession of multi-layered loops, harmonies, and personal "dreamscape tales". STYLE Both his live performances and CD, "mint condition", capture audiences with tales of vivid melody and contemplation, stylistically, his music bridges the artistic sensibility of Peter Gabriel, energetic punch of Beck, and intimacy of Chris Isaac... with a sweet, distant "island" vibe. EXPERIENCE Alan's experience in the music industry coupled with his technical skills reflect the production value and creative edge that so many of his songs possess. "Could never get that song out of my head." - Barnes, 99x MorningX Active within the recording industry, Alan wrote and performed the song, "Lift Me Up" for the Independent film, "The Number", starring 99X's Steve Barnes and his song, "Know," was contracted with a Nashville company who places songs on TV and film. Alan is a multi-faceted individual who delivers both performance and professional obligations with the same vigorous energy and familiar charm." seanrox for RadioWIRED.com
