His multiple talents has blessed him to be on stage with Yolanda Adams, Shirley Murdock, H-Town and Marvin Sapp. "FOR BETTER OR WORSE" was originally inspired by our desire to see Christian marriages flourish with an abundance of love as GOD designed. For GOD ordains marriages and blesses the unions between one man and one woman who commit themselves to each other for a lifetime. These healthy relationships are only strengthened with love songs which stimulate romantic atmospheres and exhilarate faithfulness. Therefore this CD now transcends beyond its original purpose and extends to secular marriages as well. For the same ingredients to happy and successful marriages (commitment and love) are the same for all. We are aspiring to gain leverage in the best part of the gospel experience by providing love songs to married couples. We want to satisfy the wants and needs of couples who believe in "KEEPING IT REAL KEEPING IT HOLY" at the same time. To accomplish this awesome feat we are proposing to establish a new musical genre called "Rhythm and Gospel". R G will be a musical hybrid between R G and gospel or contemporary Christian music. Its roots are founded on the positive influence of gospel music while providing the missing link to reconnect it to its rich and rhythmic heritage. These love and wedding songs are for all seasons of marriage.
