Bob Dylan Tribute album. An acoustic treatment of these great Dylan tunes. 14 MP3 Songs FOLK: Traditional Folk, COUNTRY: Country Folk Details: Bob Dylan Tribute album... An acoustic treatment of these great Dylan tunes. This Los Angeles based duo has made a strong mark on the acoustic folk/ rock scene at home as well as across the U.S., Canada, Thailand, Ireland and Italy. Andy and Renee have it all: great musicianship, outstanding voices and exceptional songs. Andy's songwriting is original, passionate and sincere, and covers a vast lyrical landscape, bringing to mind Bob Dylan, Bruce Springsteen and Van Morrison. With acoustic guitars, piano, percussion, and perfect harmonies, they have kept audiences coming back for more. When they aren't performing for their fans at home, Andy and Renee are putting miles on the car, performing at festivals, book-stores and coffeehouses across the country.
