## **DOWNLOAD HERE**

You won't be able to sit still listening to these tunes ranging from Reggae to Blues. Feel great about yourself, show how you feel, jump around and get crazy. 16 MP3 Songs in this album (30:55)! Related styles: KIDS/FAMILY: Children's Pop People who are interested in Laurie Berkner Rachel Buchman should consider this download. Details: What a Wonderful You, features tunes ranging from Reggae to blues to a lullaby. Each of these original tunes written and performed by preschool music teacher Andy known as "Miss Andy," teaches positive body and self image, patriotism, and encourages the listener to show their emotions. You can't help but bounce, jump and shake all over when listening to this fun-filled music. This is also a great tool for preschool teachers as the songs are theme related and can be used in the classroom for holidays and general curriculum. Andy is the recipient of the coveted Janice Hill Memorial Award given by Bright Horizons Family Solutions.
