AVAILABLE DIGITALLY. Contemporary Classical Pianist/Composer Ann Sweeten's new CD is a richly rewarding listen full of the passion, melodic sensibility and technical proficiency for which she is known. "This is a brilliant recording." Will Ackerman 12 MP3 Songs NEW AGE: Contemporary Instrumental, NEW AGE: Neo-Classical Details: COMING SOON - GREY SKY BITTERSWEET - OCTOBER 9, 2007 PRODUCED BY WILL ACKERMAN AT IMAGINARY ROAD STUDIOS "Ann Sweeten possesses a remarkable talent. A musician whose extensive classical training is immediately apparent, she is also someone who writes from a great emotional depth. As her producer it is a joy to hear someone who exploits the entire potential of the piano, finding both dynamics and beauty in all 88 keys. Her pieces have a broad stylistic range and yet create a cohesive program of music very distinctively hers. This is a brilliant recording from start to finish." William Ackerman "Sweeten has never sounded better." Wind Wire, KFAI-FM "The music bears hints of the musical masters...a blessing of sound." The Phoenix "I am struck by the sheer magnificence of Sweeten's compositions." New Age Retailer Now Four-time music awards nominee and Contemporary Classical Pianist/Composer Ann Sweeten releases a brand new album with an outstanding group of performers on this purely acoustic offering.
