

# Mp3 B. J. Banks - Music To Warm The Heart

[DOWNLOAD HERE](#)

Rhythmic, lighthearted, mellow and fun are descriptions given by listeners to the music on this CD. In no time you find yourself moving to the beat, swaying to the gentle rhythm as you listen to the tracks. 10 MP3 Songs EASY LISTENING: Instrumental Pop, ELECTRONIC: Dance Details: I'm a New Jersey transplant to the gentle rolling hills of Kansas but I've lived here long enough to call this home. The more I stay, the more I find that there is something magical and moving about the wide open spaces and the almost flat terrain. In Kansas this allows a view of an awesome 180 degree sky which can also be a terrifying one when it is tornado season in Kansas. But it does move me to write my music. Often, the words of a favorite song come to mind "On a Clear Day, I can see Forever". The musical selections on this CD have all been inspired by the feeling and the view of my adopted home - Kansas. At the time when I created this CD it was "Magical" for to see the immature green wheat in the fields, waving in the "Gentle Breeze", looking in the distance incredibly like the waves of a of cool blue-green sea. I hope you enjoy the music and that it touches your heart in the way that I am "Touched" by the experience of the Kansas prairie.
