Original classical style piano music composed by the artist. 22 MP3 Songs CLASSICAL: Piano solo, NEW AGE: Solo Instrumental Details: Most of the pieces were composed by me this year (Piano Song No 1 No 2 were composed last year), they consist of different styles, some more classical like, some more comtemporary, some more mooding, relaxing. Except the last one: Turkish March var, which is based on Mozart's. All are original idea from me. Some melody are from my first album "Relax Music", while some are inspired from those great classical composers. Hope you enjoy my music, it took me almost a year to write these pieces.
