Related styles: EASY LISTENING: Vaudeville, EASY LISTENING: American Popular Song People who are interested in Victor Borge should consider this download. Details: Count Bachula (666-?) is the not so great-great-great...great grand-uncle of the famous composer J.S. Bach--on the Transylvania side of the family. Count Bachula and his music have recently been unearthed... William Zeitler traveled to Transylvania to record the Count performing some of his holiday favorites on the mighty pipe organ at Castle Bachula accompanied by some of his close f(r)iends--including the Transylvania Vampire Choir (directed by Dr. V. Helsing), Quasimodo on bells, and a dread host of others. This is a Holiday album that is sure to have you and yours howling for more!
