He has captured the essence of the "Blues Guitar" that has not been heard in such a long time.This is Dan's finest work!! His new C.D."in the Nick of time" on the "Plymouth Rock Record" label is a heart felt dedication to his oldest Son "Nick" who lost his life to a drunk driver 2 years ago. Dan's only way to express such a great loss was to put his feelings on paper and then on disc for all the world to hear. Dan's great band has contributed some of the best work you will ever hear,I'm very proud of them he told Greg and Lee Sheridan of "Full Throttle" Magazine, they knew just how important this project was and what it ment to me. With tracks from Dan's close friend's "Mark Farner" the song writing genius of the 70's power trio "Grandfunk Railroad" and "Gregg Allman" of The "Allman Brother's Band" This is a Great Blues C.D. hands down! Dan and the Boys have been headlining all of the "Major Motorcycle" event's from Laconia, New Hampshire to Daytona Beach, Florida. "2005" is going up to be a big year Dan. If you get a chance to see Dan at one of his many show's your in for a great time!and Dan still perfers Fender Guitars and Mesa-Boogie Amps!!! and I would like to thank the following people!
