Electronic dance music heard in the south east known as Florida Funky Breakz. 5 MP3 Songs

ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Drum 'n Bass/Jungle Details: There is a reason Dj X is known as the Southeast's most innovative DJ. He has long broken the mold of simply being a Florida Breakbeat DJ/Producer. This 19-year veteran has made his mark in the underground music scene through mixing, producing, and turning out some of the hottest, non-stop dance-frenzied compilation CDs ever heard. On the heels of the phenomenal success of Club Experience Vol 3., Dj X has, once again, assembled another great mix of multi-faceted musical dance and trance mayhem that will, no doubt, tear up the charts. With nine previous full length CD compilations, Club Experience Vol. 4 is Dj X's 10th compilation released worldwide and is due to hit the streets with much anticipation on June 6, 2006. The new CD not only features 5 new exclusive tracks but also the year's hottest Trance anthem from Tiesto, Just Be featuring Kirsty Hawkshaw, remixed by Billboard charting producers Antillas. Reaching overseas, Dj X has recruited the breakbeat talents of Deekline and Ed Solo along with the Rasta sounds of the UK's Dreadzone. If you're looking for this year's smash House record, then look no further than What You Wont Do For Love, Dj X and Big3 labelmate Jon Secada reworking of the Bobby Caldwell classic. This rare X/Secada collaboration centers on Jon's smooth-as-silk vocals and a piano riff which will stay with you long after the music ends. This incredible collection also includes Inspiration, the latest smash track from Ian VanDahl. From the studios of renowned UK producers The Breakfastz, Inspiration is set to climb even higher chart heights than Ian's previous hit, Castles in the Sky. In true Dj X fashion, artistically motivated dance vocalist Plummet is included in the mix. Following the success of club hits Damaged and Cherish The Day, Dj X and Plummet once again team up to breathe new life and a distinct club vibe into Paul Simons 50 Ways to Leave Your Lover, featuring a mix by CS Jay. A native of New York, Dj X is

today a resident of sunny Florida. Not only an established artist, DJ, producer, and remix master, Dj X is also an entrepreneur as the owner and operator of Florida-based Xquizit Records, Inc. (XquizitRecords.com), a record label known for "putting funky breakz on the map." In addition, he also founded and heads-up a sister label to the breaks scene entitled "The Eastern Breakz Movement" and launched the web site theEBM.com. Dj X, with the accompaniment of other artists on the labels and remixes, is responsible for more than fifty 12" vinyl releases between the Xquizit Records and The EBM labels. He has also released four full length CD compilations of his own, as well as 2 CD Maxi Singles including the Billboard charted CD single entitled "Use Your Luv, a remix of The Outfields 80s release "Your Love. Over the past four years, Dj X has released countless mix compilations and has spun with the likes of DJ Icey, Donald Gluade, and the UK diva Sonique, to name only a few. He continues to appear in local newspapers and has been acknowledged in many industry magazines such as DJ Times, Mixer Magazine, DMA, and Billboard receiving rave revues. Every time Dj X spins he keeps the dance floors packed with everything from funky breakz, to hard house, to trance and jump up. Best known for his amazing talents as a breakbeat DJ, Dj X crosses every boundary of club land and regularly spins for thousands in clubs across the Southeast and hosts live sets on 93.3 WFLZ-FM in Tampa, FL. In addition to touring the US and Canada, he is also featured on radio mix shows all across Florida. Dance music fans everywhere know the Xquizit One, making Club Experience Vol. 4 one of the most anticipated dance releases of the year!
