These showtunes are some of the most beautiful melodies ever written, invoking incredible memories, played in Duchess' unique piano style. 14 MP3 Songs in this album (45:38) ! Related styles: EASY LISTENING: Musicals/Broadway, EASY LISTENING: Love Songs Details: Duchess Raehn has been playing the piano since early childhood, and admits that she has had a melody in her head most of her life. Her parents knew early on that she had a special talent, because by the age of five, Duchess could play songs that she had heard on the radio or at church. Music we have heard in theaters and in the movies is unique. Not only are these some of the most beautiful melodies ever written, these songs also invoke incredible memories that go deeper than notes on the page. They bring back memories of magnificent theaters, poignant stories, and special times with family and friends. Many of the songs included on this CD were chosen not only for their beauty but also the recollections they resurrect. Music of the Night is a collection of showtunes that Duchess has been playing most of her life. With her unique piano style, these melodies soothe, inspire, and take you back to memories of days gone by. As the beautiful music flows, allow your mind to wander beyond the song to the story and the memories that are attached to each one of these amazing compositions.
