Swing meets 50s pop 10 MP3 Songs JAZZ: Swing/Big Band, POP: 80's Pop Details: Swingin' School, Eight to the Bar's second record, originally came out on vinyl back in 1986. It's a bright, energetic mix of swing, sixties, doo-wop, and pop, with the band's trademark vocal section being the tie that binds and defines the band's sound. A wonderful period piece!
