\*\*\*\*\* Are You Done With the Bar Scene? Have you ever had a woman give you a wrong phone number just so she gets you to leave her alone? ...or you give her your phone number only to never hear from her again? Lets not just put ALL the blame on women. I mean really, give me a break. Did you ever notice how some guys pick-up women? Its like they actually specialize in getting women drunk in order to get their phone number or email address. No wonder most women give out phony numbers or never even call these guys back! Hmmm. Maybe these women are too ashamed of how they acted the night before, ...or maybe they cant even remember who the heck they gave out their phone number to in the first place. The bottom line is... If youre sick and tired of exchanging drinks for the

hopes of getting womens phone numbers only to: Never hear from them again, Have them cancel at the last minute or worst of all... Flake out and stand you up as you spend the evening wondering where she is and what you did wrong ...then listen up. Because I can tell you without B.S. exaggeration or unnecessary hype that one little idea here can increase the respect and priority you receive from women for the rest of your life. In other words If you want to IMPROVE YOUR GAME and start attracting HIGHER QUALITY WOMEN, you came to the right place. Ive just put together a CD that can make a big serious difference in the attraction women feel for you ...regardless of your looks, age or income. I call it: How to Pick-Up Sober Women 21 Secrets to Reducing Your Rejection with Women ...Even if You're NOT a Pick-Up Artist -WITHOUT Using Online Dating -WITHOUT Buying Her Love and Affection -WITHOUT Ever Stepping Foot in a Bar or Night Club ...Regardless of your Looks, Age or Income! On this CD youll discover: Whats the best way to strike up a conversation with a woman? How to avoid creeping her out? How do you become the man shes drawn to without being a Jerk? Where are the best places to meet and pick-up women without using online dating or going into bar? and why? What are 3 little known facts about women that will boost your confidence to talk to them? SPECIAL BONUS Where should you go on that first date that will decrease the chance of her canceling or flaking out on you? Since 1990 F.J.
