

## Mp3 Greg Jones - String Theory

[DOWNLOAD HERE](#)

Guitar driven instrumental progressive rock, played with melody, flash and groove. 11 MP3 Songs ROCK: Progressive Rock, ROCK: Instrumental Rock Details: Greg's music can be described as combining simplicity in melody and dynamics with the complexity that comes with creativity and musicianship. His music takes on a more balanced approach, striving to stay away from the extremes of the 80's "shredders" and today's minimalistic alternative/punkrock scene. Greg's music draws from the styles of bands such as Dream Theater/Liquid Tension Experiment, Spock's Beard, Dixie Dregs, Kansas and Yes.
