Mp3 Imbued Vagary - Electronique

DOWNLOAD HERE

Ideal for electronic purists, the music drifts through experimental soundscapes, dark synthpop flavors, sci-fi beats, and minimal melodies while staying clear of any organic sound. 5 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Soundscapes Details: Electronique is the debut offering from Imbued Vagary, a minimalist project from one of America's premier electronic acts, Any Questions?. Formed in 1989, Imbued Vagary is comprised of Ttam Troll (Electronics + Electronic Percussion) and MC2P4 (Electronics). "Ideal for electronic purists, the music drifts through experimental soundscapes, dark synthpop flavors, sci-fi beats, and minimal melodies while staying clear of any organic sound." - Outburn "Both the name of the group and the music it plays rivet the attention and stimulate imagination." -GIAG
