Vocals sung into a million gallon water tank, accessing ethereal reverb -- relaxing themes of nature, love and spirit. 11 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation Details: December 2005 marks the release of Kathy's new CD "Above Water." It represents a sound adventure unlike anything you have every heard before: soothing, mysterious, ethereal, and spiritual. Kathy recorded the main vocal tracks into the side of a million gallon water tank, taking advantage of the incredible natural reverb generated by the airspace in the tank. The songs are elegant in their chant-like simplicity, while layered with nuance and unexpected pleasures that give a depth and haunting beauty that will stick with you forever.

Simultaneously, Kathy and her husband Peter have collaborated on a DVD which combines this amazing music with intimate scenes of water in nature, making a for an unusual multimedia relaxation experience. The 27 minute DVD is available directly from Kathy (kathylowemusic.com).
