Pop - Soft Rock This incredible album starts with a new version of the standard "Tragedy". What a performance. AND just gets better. 11 MP3 Songs POP: Delicate, ROCK: Classic Rock Details: "Midnight Madness" Katiah This album starts with the timeless song "Tragedy". In the event you do not already know this standard, it has been recorded by a multiplex of mega stars. While too many to mention, here's a few: The Fleetwoods, Bette Midler, Charlie Rich, Jerry Garcia and Floyd Cramer. Each rendition of this song makes its mark.....including this one by Katiah! Also, the last song on the album, "Trajedia" is the Spanish version of "Tragedy". A MUST listen to! "Money Machine" really rocks! It will make you want to get up and move! It's a young girls' perspective of a relationship. What the dude has, drives, and how much money he will spend on her!! A very, very fun song. "I Love You more Than That", a wonderfully done pop ballad, makes you think about just how much do you love that special someone in your life! As with all the ballads sung by Katiah, it will for sure make chills run up and down your spine! A Very emotional singer indeed. The title track, "Midnight Madness", speaks for itself. A magnificent "feel good" song! You'll know right away why it's the title track. If that's not enough, "If I Were You", originally recorded by Elvis Presley is a real winner! Fabulously done! Thank you Katiah for bringing some old hits back to life and for the new fun, feel good, goose bump filled ballads on this fantastic CD!! All Katiah's music is arranged, produced and engineered by Gerald Nelson at the Coda Masters Studio. Take a listen and enjoy! OH YEAH! More Katiah? Cruse over to Latin-Pop on CD BABY.
