From the stage of the famous (Or infamous) "Gilleys" in Pasadena, Texas to the ski slopes of Steamboat Springs, Colorado, and the Pendleton Round-up in Pendleton, Oregon, LaMont-Daniels have been performing some of these songs and writing more along the way. Terry LaMont and Kenny Daniels are LaMont-Daniels. They both wrote all the songs, performed, recorded and Kenny mixed all the songs. Styles of music? From the bluegrass-ish title cut "Bill\$ to Pay" to the Ray Price themed "I'll Pay the Price" "You've Ruined Me" and the Montgomery Gentry-like "Is That a Yes" and the Jimmy Buffet influenced "Mexico" the songs appeal to anyone, especially those people who are tired of listening to the 'flavor-of-the -month' new country artists. Our next album is already under way, so we look forward to seeing you at the shows, and hope to see you soon! Terry and Kenny LaMont-Daniels Band
