Les Kerr captures the spirit of the Gulf Coast and his native Mississippi with clever, original songs that range from roots rock to bluegrass. 16 MP3 Songs POP: Folky Pop, FOLK: Folk Blues Details: Southern Sounds Sessions was recorded in the heart of the Gulf Coast at Southern Sound Productions using all Gulf Coast musicians. Les Kerr writes songs from his heart and that is evident in this collection of tunes. From Southern Belles to Pool People, from his grandmothers Button Box to a Midriff Mama from New Orleans, Les describes his world in words and music. A native of Mississippi, Les Kerr carries on the tradition of storytelling and songwriting found in his home state. Railroads and sailboats are both part of my background, Les says. My grandfathers favorite train was the Gulf, Mobile and Ohios Little Rebel and I sailed quite often to the Round Island Lighthouse mentioned in my song Destination: Gulf of Mexico. I love to write and sing about people Ive met and places Ive been and I hope these songs illustrate that. Les captures the spirit of the South in songs like Seductive Eyes and Dinner at Aunt Stellas and modern day sun-worshippers in Pool People. The humorous love song If It Werent for You won an American Song Festival honor and always draws a laugh from listeners. Southern Sound Sessions takes the listener on a trip filtered with unique places and fascinating people.
