

# Mp3 Lyndzie Taylor - Spinning In Circles

[DOWNLOAD HERE](#)

Lyndzie Taylor's high energy vocals mixed with pop hooks, catchy melodies and insightful lyrics take you into the world of the creative singer/songwriter. 9 MP3 Songs POP: Power Pop, ROCK: Acoustic Details: Some artists embrace one form of art. Then there are some, like Lyndzie Taylor, who embrace them all. As a singer, songwriter, and actor, Lyndzie has spent the last five years of her life honing her craft and dedicating herself to her art. Lyndzie progressed from singer at birth to songwriter at age 9, and from guitar player at age 14 to singer/songwriter with several independent recordings by age 16. Now, at 18, Lyndzie is a seasoned songwriter and vocalist with two self-funded, self-produced releases and internet-wide and regional recognition all over Colorado. In 2002, the singer was featured as one of five Colorado-based artists for the LocalMusicScenesCompilation CD. She's been featured and interviewed on DenverLocalMusicSceneas well as Boulder's own Daily Camera and the late Riff Magazine. Inspired by the Beatles, The Counting Crows, Weezer, Hanson, and more, Lyndzie would describe her sound as high energy, soulful acoustic/electric pop rock. Her voice is a powerhouse of emotion and intensity; whether backed by a full band or just her acoustic guitar, Lyndzie rocks every venue she plays with the utmost passion. Lyndzie's other passions, such as theatre, inspired participation in several high school plays and recently brought her to Hollywood to study musical theatre at the American Musical and Dramatic Academy. Though she continues to pursue her own creative efforts, Lyndzie feels there is so much to explore about the every aspect of performing arts and hopes to gain new, valuable knowledge that will allow her to grow and expand as an artist. In the meantime, Lyndzie is attending school and promoting the her latest creation, Spinning in Circles. To find out more about the CD, purchase your own copy, and find out when Lyndzie is performing next, visit [lyndzie.net](http://lyndzie.net).
