Simple heartfelt worship to bring you to a place of peace, faith and restoration. 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: Piano Details: We live in a world that demands so much from all of us. It was our heart to create an album that would draw people into God's presence to enable the listener to stop and be refreshed in their spirit and restored in their faith. So many people have been encouraged by this album and for this reason we share it with you here. We hope you will find time to rest and experience our album, "Believe". If you cannot afford to buy one, we want to invite you to come visit our website and while supplies last, we want to send you one free. Just go to our contact page and send us an email! It is our heart to encourage you, to lift you up - to edify. Our music was the best place for us to start. Our debut album, "Believe", is a journey that we pray will restore and nurture your spirit. Our songs were inspired to draw you closer to God. "Believe" is filled with heartfelt worship on piano and acoustic guitar to refresh you in God's presence and restore your faith as well as a blend of contemporary pop to bring to you joy and solidity in the word of God. We want to encourage you to not only draw closer to God, but to find confidence to grab hold of the dreams and desires God has placed inside of you. For more information about us and our music, please visit our website at michaelandmichelleclark.com. Do you need encouragement? We offer a message of encouragement each month to help you. Music has a way of reaching places we cannot see and inspiring us in ways nothing else can. We pray as you listen to and are encouraged by our music, God ministers to you in a very special way, just for you and that your heart is drawn closer to His. -michael michelle clark
