Fun, rockin' country music for children today - great for parents too. 11 MP3 Songs KIDS/FAMILY: General Children's Music, COUNTRY: Traditional Country Details: My Daddy Sang Country To Me - a children's music CD with a difference. Recommended for children 3 - 7 years old. At My Daddy Sang we aim to write and play music for today's kids because we believe that they are more sophisticated than the children of yesterday. Another goal, being parents ourselves, is to create a collection of songs that can be enjoyed by adults as well. I'm sure you will agree that we have achieved our goals with this 11 song children's music CD. My Daddy Sang Country To Me is the labour of love for songwriter/producer Philip Rohr who teamed up with respected children's singer/songwriter David Conrades in order to create this unique collection.
