Heavy, Intense, and very infectious. Amazing talent and well polished metal group from Chicago. The production is A+. If you like bands like Korn, Mudvayne, Godsmack and Pantera, you'll love NDX. 5 MP3 Songs METAL: Heavy Metal, ROCK: Hard Rock Details: NDX was created in April 2003. The music itself has grown them a huge following in a very short period of time. With numerous shows and passing out over 3000+ cd's of their demo they recorded in June 2003, NDX is becoming one of the premier metal bands and people all over are saying that they are going to be the next big thing out of Chicago. It's hard to describe the sound of NDX, but if you had to compare, it would be close to Korn, Mudvayne, Godsmack and some old Pantera, but NDX has create a hole new sound that makes them stand out from all the rest! The new 5 song release produced by Doug McBride, is definitely going to open some doors for these guys. They have already received label interests but are holding out for the right deal. This cd is a must have for metal fans. It won't be long before NDX is up with the majors!
