Sit back and enjoy... 13 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: R&B Pop Crossover Details: REDD SOUL The artist... The vocalist... The songwriter... Redd comes to us from the Los Angeles area, where he grew up the youngest of twelve children. With his mother being an opera singer and his father and siblings all singing and playing instruments, Redd was saturated with music from a very early age. Early influences included all genre's of music ranging from r&b, rap and reggae to classical, big band, rock and alternative... While growing older, Redd experienced a unique connection to classic r&b and old school soul music. His later influences stemmed from artists such as Stevie Wonder, Marvin Gaye, The Gap Band, Ohio Players, D'Angelo, and many more... Redd was formerly with the r&b-funk group Higher Ground, but now has embarked on a journey to create his own unique solo project. THE ALBUM - NATURAL PROGRESSION Redd's life experience has, like all, dealt him many different hands... Redd reflects on life, love and relationships in a way only he can... With a blend of classic r&b and neo-soul, Redd shares his experiences in a language that everybody can relate to ... This creativity is complimented by the unparalleled music production of Malcom "Mal G" Harvest. Life...Love... Growth... The Natural Progression. CONTACT US REDD@REDDSOUL.com
