

Mp3 Ron Sunshine - Soul Drug

[DOWNLOAD HERE](#)

New classic funky soul music a la Al Green meets the Brand New Heavies with a kind of bluesy twist. 11 MP3 Songs BLUES: Funky Blues, URBAN/R&B: Soul Details: RON SUNSHINE'S LATEST FUNK CD IS CALLED SOUL DRUG, a collection of eleven new songs designed to groove you into the millennium. Take a laid-back, soul-infused, jazz-inflected and funky journey into the realm of real musicians playing real instruments--the way music was meant to be heard and felt. The groove is addictive, but good for the soul. So enjoy the music and catch the band as they make their way around the world on a never-ending journey, bringing the funk to the people. This is the music you want on your stereo when it's time to drive to work, time to party, and definitely when it's time to get down, if you know what we mean. Try a little SOUL DRUG for what ails you. It works, and there are no known side effects. Update (10/01): Musicians who played on Soul Drug are making it big. Andy Hess (bass) is now the bass player for the Black Crowes. David Santos (co-writer and co-producer) has gone on to play bass for Billy Joel, The Neville Brothers, John Fogerty, and others. Doug Petty (keyboards) has been playing with Shawn Colvin, LeeAnn Rimes, Enrique Iglesias, and has recorded with Britney Spears, Backstreet Boys, and more. Hear them all together on SOUL DRUG. From a customer: I stumbled upon CD Baby and your "Soul Drug" CD by accident, and a happy one it was. My husband and I took the CD on vacation with us last fall and practically wore it out. I just ordered "Candy" and can't wait to listen. I hope we'll be lucky enough to see you play in Boston sometime.
