Rosalind has been a classical flutist for 30 years and her music is carried by New Leaf Publishers, Fortuna and other New Age specialists. Here are some testimonials for the Flutewind CD: "Flutewind is music for the soul. The plaintive, haunting flute notes in Rosalind Richards music always sends me to my own private inner sanctuaries. Listening to this CD, I can easily picture myself in a scented garden, at the beach under a lantern moon, or near a pristine water-fall. I especially like the musical pieces which communicate an Asian feel, such as Misty Morning. Other selections help me to create a peaceful mindfulness while I am working quietly at home. In addition, Flutewind is perfect for playing during massage and bodywork, meditation, and yoga. Flutewind captures the longing of the heart." Patricia A. "This enchanted flute music will soothe your mood and uplift your day. Rosalind takes you on a gentle voyage of calm and peach on golden waves of sound. Perfect for meditation, yoga and background music." Betti Roberts
