Soulful, romantic, inspiring. Emerson's quietly seductive voice is perfectly complimented by luscious strings, gospel backing vocals funky horns. 10 MP3 Songs URBAN/R&B: Soul, EASY LISTENING: Crooners/Vocals Details: Bay Area recording artist Steven Emerson has delivered a true gem with SET IN MOTION, the new album produced by Jon Evans (bassist for Tori Amos). Evans assembled a group of musicians who have toured and recorded with REM, Charlie Hunter, Paula Cole and Victoria Williams to create a sound blending early 70's soul with 60's cool-school jazz. Emerson's quietly seductive voice is perfectly complimented by luscious strings, gospel backing vocals and funky horns, to set a mood that recalls Al Green and Chet Baker in its intimacy and immediacy.
