

Mp3 Sumner - A World Of Horses

[DOWNLOAD HERE](#)

From the opening beguiling Sister's Song, Sumner takes us on a bittersweet journey through the high's and low's of this eternal mystery we call LIFE. 11 MP3 Songs POP: British Pop, FOLK: Power-folk
Details: Are you bored with non sencial hum drum factory fired tunes? Then step aboard THE ASTRONAUT, is it a homage to space travel? A yearning for lost love? Or simply a hymn to a long gone fairground ride? In this place nothing is for certain. Some song's can only be born from experiencing the laughter and the tear's. So if thought provoking, heartfelt music is your bag, then step right up and excersise your mind and free your spirit! "Gone" is the best Oasis-sounding song that beats anything the Gallagher Bros. have done in many moons. EAR CANDY MAGAZINE
