

Mp3 Synses - Perceptions I

[DOWNLOAD HERE](#)

SYNSES is a musical vocal treat that will take you on a amazing journey through sophisticated rhythms and sounds in the musical zone where pop, jazz and R&B converge. 8 MP3 Songs URBAN/R&B: R&B Pop Crossover, POP: Today's Top 40 Details: It is extremely refreshing to see real artists take their time to record and produce real music and amazing vocals harmonies. New school and Old school combine here in a magnificent production by the group. SYNSES features Woodrow McDowell and Judy Revis McDowell, All Lead and Background Vocals. "SYNSES" (syn-ses) - the combining of elements of separate materials into a single, unified entity as one. "Flow Motion" - The album kicks off with an enchanting, uptempo, progressive groove into a musical world of how to keep a positive, mental attitude when you're down but not out -- an innovative musical and vocal production. "Feel Your Love" - a smooth, jazzy, romantic love song with a smooth and sweet vocal intensity and versatile keyboards played by Archie White -- "sweet". "Into the Night" - a soft, mellow love ballad; yet another approach to a love song of a lonely heart waiting for love into the night (beautiful and enchanting). "Too Hot" - an uptempo, high-energy musical and vocal interlude. Like ice cream with your favorite toppings, you always want more (excellent party mix). "Your Tender Love" - this track hits the spot where love calls in a silky, smooth arrangement with noticeable vocal ranges -- "magnificent". _____ SYNSES vocal and musical group are recipients of a Billboard Songwriters Award. SYNSES production team is in talks with several record labels for their songwriting and producing skills for musical and vocal support for outside projects. SYNSES studio engineer, B.Z. Lewis, (also Lead Guitar on several tracks) whose studio was designed from the ground up with help of Chip Davis, the designer of Lucas Films Skywalker Ranch. Also notable productions with NBC, CBS, USA Network, MTV, EA (Electronic Arts) and Columbia Tri-Star. With SYNSES vocal, musical and songwriting skills, this production team is ready and for real.
