Ancient mantras and chants sung in beautiful duets that are timeless and soulful. 10 MP3 Songs NEW AGE: Meditation, WORLD: World Traditions Details: The Temple Bhajan Band is a group of devotional chanters that tours Southern California's Yoga Studios, Yoga Retreats, and various social events. They have been together for over 5 years. The heart of the band is Sura whose voice is legendary among practitioners of Yoga and Interfaith followers. While Sura sings to the accompaniment of the harmonium, he leads the rest of the members on instruments such as the esaraja, tamboura, kartals, flute, ektar, violin, and mrdunga drum in a dynamic symphony that is timeless. The Temple Bhajan Band plays ancient Vedic bhajans, which include mantras and chants from spiritual India. Many of the chants are done in a responsive fashion where the audience can participate and experience the purifying pleasure of the chanting.
