Pulling from many musical influences, The Jim Experience creates well-rounded music converging many styles and lyrical content. From solo acoustic to synth-driven melodies, The Jim Experience has something that you can relate to. 8 MP3 Songs FOLK: Modern Folk, ELECTRONIC: Down Tempo Details: The Jim Experience is a solo project developed by Jim W. of bands such as Too The Fight, Escape The Sirens and When Girls Kiss Girls. The Jim Experience, instead of sticking to one style, touches on many different styles and has been compared to musicians like Ben Folds, Jack Johnson, and The Postal Service. Not taking himself too serious, Jim makes songs ranging from Deep Passion Love to Fun-loving Ridiculous rantings.
