A unique blending of live instruments and digitally fabricated samples, creating a meditative and relaxing ambience. 10 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Experimental Details: The Kerihs Project is an on-going art production started by Chip Shirek featuring original music, 3D/traditional art, and general video game art and design. The first CD available from the Kerihs Project displays traditional beats and loops meshed with a computer. While utilizing an odd mixture of live instruments and digitally fabricated samples, Primitive Contraption explores a lighter, hypnotic state inspiring good sleep and a relaxed environment.
