For those who enjoy the passion of a pop ballad and rich melodic new age/classical fusion. 10 MP3 Songs POP: Today's Top 40, CLASSICAL: Contemporary Details: Thomas Raniszewski graduated Rowan University with a Bachelor of Arts in Music. He lives with his son in Cape May, New Jersey where he has been active in theater and the arts. Previous works include music performed by The Ocean City Pops Orchestra and two collections of poetry. This is his debut album. A Midnight at a Time chronicles one person's journey from summer love to winter solitude. The album features many talents in the music industry. Most notably is Producer, George Mesterhazy who worked on 'N Sync's 2001 Grammy nominated album, Celebrity. Also featured is Engineer, Bob Fowler whose 1993 album Etched In Stone remained on Billboard's New Age chart for 15 weeks. The album features the title duet A Midnight at a Time as well as the Christmas track Through a Child's Eyes. 2004 OutMusic Awards Nominee REVIEWS: "Raniszewski's CD is an excellent start for what we can expect to be a brilliant career. The music is sometimes haunting, sometimes spirited, but always beautiful. . .a range of creative resourcefulness that is truly impressive. . . well above the standards of many independent CDs." - Out In Jersey Magazine "Sounds great. . . " - WKTZ-FM/WJAX-AM Jacksonville, FL "Vocalist Kathy Fowler, gives the tracks their dreamy, romantic quality." - The Cape May County Herald "From the heart. . . " - The Press of Atlantic City
