Acoustic rock that blends soul, bluegrass and folk. 9 MP3 Songs FOLK: Folk Blues, ROCK: Acoustic

Details: Born and raised in St. Louis, Missouri, Vijoy Rao has been creating music ever since a very young age. When he was only 7, and while his classmates were listening to Pac-Man Fever, Vijoy was listening to The Talking Heads, Genesis and The Police (although he concedes that Pac-Man Fever kind of rocks). Having obtained the bug for creating music at an early age, Vijoy has continued to proactively pursue his musical interests as he moves from chapter to chapter in life. Having lived stints in Boston, Massachusetts and Boulder, Colorado, Vijoy has learned to find something valuable in all kinds of music and attempts to create a unique sound he can call his own ranging from bluegrass to folk to hip-hop to reggae to rock and back again. A drummer at heart, Vijoy has translated his percussive tendencies to the guitar and harmonica. With clever lyrics and a unique blend of rhythm and melody, Vijoy exudes a sound that is deceptively large and curiously captivating -- blurring the line between emotion and truth. Through his musical endeavors, Vijoy has had the honor of sharing the stage with many national acts and has performed at many prominent venues in the Midwest including The Pageant, Mississippi Nights, Cicero's, Blueberry Hill's Duck Room, Camp Zoe, The Lucas School House Music Hall, The Broadway Oyster Bar, Off Broadway nightclub, Bearcat Getaway and many others. He has performed live on TV, received positive reviews in publications such as the Riverfront Times and PLAYBACK:stl, and his music has been heard on local St. Louis radio station KDHX 88.1 FM as well as internet radio station iChannel. Vijoy's solo venture is a result of his continued desire to pursue what is next on the horizon.
