Finally Available on CD.....Milwaukee's Three Time Apollo Showcase Winner. Hear what BANNED us from Radio..... 17 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: A company formed in 2000 by Craig Brown and L.R. With the idea of establishing respect and prosperity we began recording songs at E-Dream Studios with Engineer Dan Gnader. Soon after extending our welcoming hand to Rappers Nel and Q'zare, WeightHauler Records began to grow in talent and faith that our music could be influential on a national scale. Now after welcoming Rappers Rize and A.J., the W8 Hawlaz have completed their first project. The first single, Bend It Over, already has created a huge buzz in Milwaukee alone. With team efforts, a full length CD was released in the Fall of 2002. We all know with any Black owned operated recording label it's not an easy road to fame fortune, but the members on weight hauler are up to the task to race against time, spit rhymes, make beats, and do business for what we believe in do what we have to do to have success in the music business. "There is no way possible that we will not be successful in this rap game as long as we keep hitting the streets with pure honesty over the tightest beats we can get our hands on". Stay tuned: Stay on the lookout for the rise of Weight Hauler Records and ALL of its artist.
