

# Sugar Bush & Other Stories - Jenn Farrell

[DOWNLOAD HERE](#)

The stories in Sugar Bush & Other Stories deal with gender relations, love, and sex in a frank way. Most of the pieces feature female protagonists who navigate their young adult years in some questionable ways. They make some ill-advised choices, which are driven by their naïve quests for "individuality" while at the same time having an almost pathological need to be loved by everyone-especially men. While the stories in Sugar Bush are intended for an adult audience, they employ some of the conventions of the young adult genre. They are simple, straight-ahead narratives. Part breathless teenaged confessional and part wistful and wiser looks back, Sugar Bush is the first collection of short fiction by award-winning author, Jenn Farrell.
