A tragic accident had erased pieces of billionaire Finn Sorensen's memory. Including all recollection of his wife. But what wife? The one he'd been told had married him for his money? The one who now owned a controlling share of his family's jewelry empire? Ally McKnight's image was burned into Finn's memory from photographs -- pictures that captured the passion between them. It was time she received a surprise visit from her long-lost husband. The one who wouldn't let her forget just what she owed him.
