Comes with two UNANNOUNCED BONUSSES! Create Amazing Quality 3D E-Covers For Your Products In Seconds - With This Brand New Set Of Premium E-Cover Action Scripts! I just created a brand new set of premium quality E-Cover action scripts that will help you do just that. And the best part is - you don't have to be a "techy" person or have any design skills at all. These brand new action scripts will do the job for you. All you need is Adobe Photoshop and a few minutes of free time! Here is how the action scripts work: Action Scripts are basically a recording of steps you take in Photoshop to create a certain effect. So if there are certain tasks that you always do in Photoshop, you can record your steps and save them into an action script. And you can later play back all of the steps that you recorded by simply playing the action script. In this case, I've recorded the steps I took to turn 2D covers into 3D covers. So all of the distort, resize, and other commands got recorded and can be played back with just a few clicks, and turn a 2D cover into 3D in seconds. So basically, you start with a blank template or a "starter template. You then create your own design. And finally you play the E-Cover action of your choice and the cover turns into 3D right before your eyes. What makes this set of actions special? * Super fast actions: Each action takes under 20 seconds to render into 3D. That means you can modify and tweak your covers much

faster. * Crisp 300 DPI Resolution: No jagged edges. High resolution ready to be used for print. * Unique "looks": Even if you already have another set of actions, you won't find e-cover types like these anywhere else. * Premium quality: Great care went into creating each e-cover action script in this package. Each one is of premium quality and as good/better than anything else out there on market. * Brand new actions: These are all brand new actions created in 2011, so you'll be getting the newest and freshest "looks" for your products. Here is what you will get in this package: 1. 9 High Resolution E-Cover Actions: You get 9 high resolution action scripts for 9 different E-covers. 2. 5 High Resolution E-Cover Templates: To make it easy for you to get started creating your own e-covers I'm including 5 premium quality high res (300 DPI) e-cover templates for each cover type.
