Shapeshifter Dakota thinks he's the only one of his kind in the whole world. Then he meets Jax and the sparks -- and fur -- flies. Convinced now that there must be more like them, Dakota and Jax seek out other shapeshifters and bring them all to the Shifting Sands ranch, where they can be free to be themselves. Where the restraints of cities and people can't hold them back. But what if not all shifters are content to just subsist side by side with humans? What if there are predators out there from time long past who consider themselves to be the top of the food chain? There may be forces at work looking to take the Shifting Sands ranch out of the picture. Can Dakota and Jax save themselves and the world from the predators? Or have they bitten off more than they can chew? Shifting Sands includes two bonus stories in the same universe, The Sound of Home, and Mother Blue's Bar and Grill. Get all three of these great stories in one volume!
