

Language And Social Cognition

[DOWNLOAD HERE](#)

This interdisciplinary volume provides a novel perspective on social aspects of language. It views ways of how the acquisition and management of knowledge of ourselves and others is reflected in language.

Hence, by combining the two disciplines social cognition and linguistics, it proceeds beyond cognitive linguistics by examining language from a wider perspective including cultural issues. EAN/ISBN :

9783110216080 Publisher(s): De Gruyter, De Gruyter Mouton Discussed keywords: Kognitive Linguistik
