Anointed Praise and Worship Gospel music, with a Little R&B mixed in. (True Praising Music) 10 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Contemporary urban Details: This CD is Dedicated to all the people incarcerated in the many prisons throughout the U.S. and the world. We are family, connected by GOD first, and next by imprisonment. By and through this CD I am attempting to send a message to each of you. What is the message? It's this: I help create this CD from my prison cell with help from GOD first and a few family members. My State and my country did not assist me whatsoever. If I can do this, what can we all do together? I say we can accomplish great and mighty things together, but first we must put down our weapons, stop fighting and hurting one another, put down drugs and every weight that would take us off the real course we should be on. Next we must agree on what it is we need and want and upon the steps to take in our efforts to get it. I have a wife, so I need conjugal visitation so i can keep my family together. How do I get that in South Carolina when it's not offered to us? I want the death penalty abolished because murder is murder no matter if it's State sponsored or done by an individual. For us in the U.S. and in certain States, I want and need my right to vote after I pay my so-called debt to society. What are your needs? You can write to me with what your needs are or you can e-mail me at 113360@bellsouthand I will forward the letters to National Cure, an organization I believe wants to see positive change in the prison systems throughout the world. Also note that I have instructed my management to donate 20 of the profit from the sale of this CD to The National Cure Organization on our behalf. Special Note About #113360 So many people have been wanting to see what Charles Tyson aka 113360 looks like. As well, people have been concerned with the circumstances that brought him to prison. To satisfy this demand, 113360 has written a book about his situation entitled "Judicial Lynching The Lynching of Citizen Charles Tyson." The book is an Expose. A tell all book about

his arrest, trial, conviction and why after 24 years in prison, he still finds himself incarcerated. The book is shocking, controversial and a must read for everyone that believes in justice, freedom, our constitution and democracy. The book is due out in the very near future, that is if it's not already out. Further 113360 has a new web-site out and on that site you can read his trial transcript and view documents that substantiate the claims made in his book. There are pictures of him on this site too. Just log on at freecharlestyson to see it all. You can also buy his book from this site. If you are a "great" lawyer looking for a great case, please contact me at 113360@bellsouth or call us at (803) 206-8542.
