[DOWNLOAD HERE](#)

Musical styles range from neo-folk, eco-pop, alternative Celtic, and electronic dance. Her alluring vocal harmonies and intelligent lyrics are the thread which entrance her listeners and invite them to explore the dreamy inner landscapes reveal i 10 MP3 Songs NEW AGE: Celtic New Age, NEW AGE: New Age

Details: Music with presence Lyrics that transform Angela is a charismatic and entrancing vocalist who has engaged audiences since 1981 with distinctive alluring harmonies and philosophical lyrics. She has a gift for passionately transmitting evocative, and introspective emotions through her music. Themes for her songs range from hopeful reminders of our responsibility to ethically care for the environment, to tapping into the bittersweet secrets of the minds interior landscapes where multi-dimensional realities, and timeless worlds of majical fantasy are revealed. Angela's talents for creating multiple layered vocals in a studio setting parallels the moving accomplishments of artists such as Sarah Mclaughlin, and Enya. The Release of her Cd Marble Feather, in March of 2000, initiated the need to formalize an Independent Label, Marble Feather Records, marblefeather.com which currently publishes and distributes her brand of Neo-Folk, Eco-Pop, and Electronic-Pop nation wide. As reviewed by Michael Allison of the Global Muse, "Angela's music is original and cutting edge. The songs are so well created that I can't imagine ever comprehending it entirely."
