

Mp3 Bermuda Triangle - The Missing Tapes

[DOWNLOAD HERE](#)

Psych folk/folk rock, from the 70's, with many live tracks, that set a style from the original innovators. 13 MP3 Songs FOLK: Psych-folk, ROCK: Folk Rock Details: This is a compilation of Live and previously unreleased tracks from the 70's. It is from a band that broke ground in what has come to be known as the Psych Folk genre, and one of the few American Innovators to play in this style as it was mainly a British Movement. Characterised as having strong roots in folk music, but with electric and sometimes unusual arrangements. Roger was the originator of Electric Autoharp. See more info on Website, or Wikipedia links.
