Jangly, melodic power pop with seamless harmonies and a hint of crunch. Tom Petty meets Cheap Trick meets the Beatles, ETC. Features former Chesterfield King, Walt O'Brien. 13 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: This sophomore release from Rochester, NY's Billy North features lots of hooky riffs, great melodies and seamless harmonies. Former Chesterfield King, Walt O'Brien, lends a heavy hand to the project (drums, bass, keys, vocals) giving it a slight sixties edge. The lyrics are clever and cynical at times, while sweet and introspective at other times. It's easy to tell Billy listened to a lot of Beatles, Tom Petty and Cheap Trick growing up, as their influence spills over into most of the cuts. Jangly Rickenbackers galore and plenty of psychedelic ear candy make this a real treat for the power pop fan or anyone into good straight ahead rock and roll. Ted Ansani of Material Issue says "Pop with power! I love it! Great guitar effects and tones! The harmonies are spot on!" Highly recommended! Also check out the first Billy North release, "While You're Down There", featuring former Chesterfield King Mike Pappert!
