Ivan Tamayo (Vocals / Guitar), Victor M. Hurtado (Lider Guitar), Jose A. Tamayo (Drums) y Jesus Rodriguez(Bass) are the people who make up this New Band of alternative rock in Denver CO. Since its initiation CKZ wrote and arranged their own music, always trying to find a connection with their own melodies and lyrics, which have emerged from each of its members. The result was grandiose! Their style, always shaken, progressive, sarcastic, adrenaline, depressing, and loving has been the main characteristic of their lyrics and melodies, always carrying a message for anyone who is willing to receive it. With this way of making music always from the deepest of their open laughter and moribund melancholy, The members have been able to bring poetry to a level even more expressive and motivating, which has already begun to be an essential part of their presentations. CKZ has become part of the scene of Spanish Rock bands of high caliber with presentations in Denver CO. On February 23, 2008 CKZ launched their first Album, which was recorded and produced in their own studio. In the postproduction and Mastering of this Album they counted with the collaboration of Bill Douglas, (royalrecording.com) a music industry veteran in the United States, engineer and producer of countless artists and bands recognized worldwide participating as an intern in albums such as: "The Smashing Pumpkins", "Filter", "The Crystal Method", "Los Huracanes del Norte", and "The Mighty Blue Kings", as Engineer : R. Kelly, Trent Reznor of "Nine Inch Nails", Ramsey Lewis, Celine Dion, Mariah Carey, Lisa Marie Presley, Moby, "The Red Hot Chili Peppers, Dave Matthews, Christina Aguilera," N'Sync "and" Bauhaus ", just to mention a few. Cikatriz del Che is deeply grateful of having the opportunity to work with people like Bill Douglas in the production of their first CD, and for his interest in the music of Cikatriz del Che, and the opportunity of being able to work together in the molding of Entre Sueos. The followers of Cikatriz del Che already have an entire album which can burn, touch, listen to, do witchcraft, or simply enjoy their moments of solitude, sadness, anger, hatred, or happiness, and you can be sure that will get even more in years that lie ahead with these five Mexican chicos controllers of the puppet called Cikatriz

del Che. Thanks to all of you, We are really grateful!
