an intriguing blend of musical styles, using acoustic and electric sounds and recordings from the natural world, celebrating the changing wheel of the year. 11 MP3 Songs WORLD: World Fusion, ROCK: Folk Rock Details: CD reviews by Bill Frost, May 27th, 2004 From S.L.City Weekly (slweekly.com) CURIOUS BIRDS "The Wheel Turns" The disc opens with a nearly seven-minute song utilizing the instrumentation of vocals, guitars and up-in-the-mix rain - Art with a capital "A" lies ahead. Singer-songwriter Raven Ariana's delicate vocals and hippie lyricism are balanced by the countrified twang of Scott Simon's guitars and Aspen Moon's lively bass lines, and mucho underlying humor doesn't hurt, either: "The Wheel Turns" closes with the erotic sounds of Sandhill Cranes getting' it on in the wild - now that's Art.
