MULTIPLE MIX OF POP, SOUL AND RHYTHM AND BLUES 14 MP3 Songs POP: Piano, URBAN/R&B: Rhythm Blues Details: This CD is a mixture of styles fully orchestrated with no particular venue in mind. I composed these songs because they reminded me of a simpler time in life. Being a baby boomer and growing up in the 60's gave me the advantage , in my opinion, to see, hear and perform some of the best music in history ever recorded. Daryl Lockhart
