Related styles: ELECTRONIC: Trance, ELECTRONIC: Progressive Trance People who are interested in Schiller Tisto should consider this download. Details: Mario D'Eliso was born in 1976 in Turin and in the years cultivated a passion for composing original music. Start by attending a short course of piano during the school year before moving to the keyboard, which affects several pieces from the tape cover and personal creations. He appreciated the progressive music of the 80s 90s which took inspiration and has kept time in his melodic style and its modern traits. He enters in the top ten for a popular website dedicated to emerging artists with the song Apocalypse in 2000, also appreciated abroad. Given the commitments music business remains a hobby, although treated with the dedication and love for the first time. So slowly increases the list of titles, each one tied to its own history. ... And how each music has its history, every emotion has his music.
